

# DOLPHIN G

## TOUCH-FREE ELECTRONIC LAVATORY FAUCET

### SPECIFICATIONS

Touch-free electronic faucet for deck-mounted installations. Activated by infrared sensor. For cold or premixed water. Filters included. Latching solenoid valve is located above deck inside the product for added vandal protection. Powered by a 9V battery or a 9V transformer. Solid brass one-piece construction. With gooseneck spout. Adjustable settings by remote control: sensor range, security time, delay in, delay out, on-off and reset to factory settings.

### OPERATION

Touch-free electronic faucet. The faucet is automatically activated when users place their hands in the sensor range and stops when the users remove their hands.

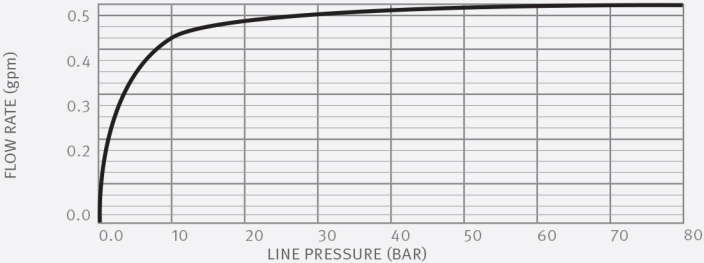

### APPLICATION

Deck mounted faucet. Prevents cross contamination of a wide range of skin diseases, MRSA, flu and Legionnaire disease. Easy installation. Long lasting even in the harshest installation sites. Ideal for health care institutions, hospitals, clinics and nursing homes.

### PRODUCT AT A GLANCE
