

DOLPHIN G

TOUCH-FREE ELECTRONIC LAVATORY FAUCET

SPECIFICATIONS

Touch-free electronic faucet for deck-mounted installations. Activated by infrared sensor. For cold or premixed water. Filters included. Latching solenoid valve is located above deck inside the product for added vandal protection. Powered by a 9V battery or a 9V transformer. Solid brass one-piece construction. With gooseneck spout. Adjustable settings by remote control: sensor range, security time, delay in, delay out, on-off and reset to factory settings.

OPERATION

Touch-free electronic faucet. The faucet is automatically activated when users place their hands in the sensor range and stops when the users remove their hands.

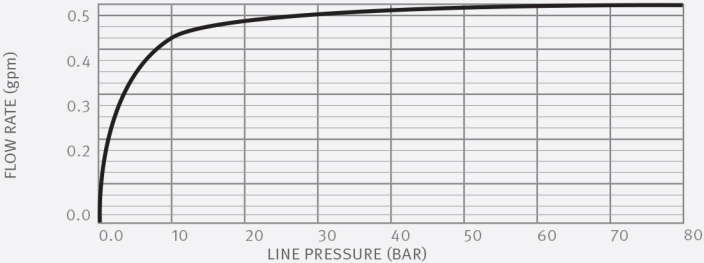

APPLICATION

Deck mounted faucet. Prevents cross contamination of a wide range of skin diseases, MRSA, flu and Legionnaire disease. Easy installation. Long lasting even in the harshest installation sites. Ideal for health care institutions, hospitals, clinics and nursing homes.

PRODUCT AT A GLANCE
