

PRODUCT SPECIFICATION

Single-roll toilet tissue holder, Bobrick Model B-264

Single-roll toilet tissue bracket shall be constructed of 18-gauge plated steel with bright polished chrome finish. Unit shall be equipped with a vandal-resistant self-locking mechanism, provide controlled delivery and shall accommodate one standard toilet tissue roll up to 4-1/2" (115mm) in diameter. Unit shall be equipped with vandal-resistant, self-locking mechanism to prevent toilet tissue roll from being removed from holder until roll is exhausted.
