

## PRODUCT SPECIFICATION

### **Surface-mounted toilet tissue dispenser with shelf, Bobrick Model B-2840.**

Surface-mounted toilet tissue dispenser with shelf shall be constructed entirely of type-304 stainless steel with satin finish. Toilet tissue dispenser shall be equipped with two chrome-plated spindles that hold standard-core toilet tissue rolls up to 5-1/2" (140mm) diameter (1800 sheets). Shelf shall be constructed of 20-gauge (1.0mm) stainless steel, and shall have 1/2" (13mm) return edges with front edge hemmed for safety.

To specify theft-resistant spindles add suffix .60 to model number.
