

PRODUCT SPECIFICATION

Utility shelf with mop and broom holders and rag hooks, Bobrick Model, B-224.

Utility shelf with mop and broom holders and rag hooks shall be constructed of type-304 stainless steel with satin finish. Shelf shall be 8" (203mm) deep and have 1-1/2" (38mm) return for maximum rigidity. Unit shall be equipped with replaceable, spring-loaded rubber cams that will securely hold handles from 7/8" to 1-1/4" (22 to 32mm) in diameter. Shelf shall be equipped with stainless steel drying rod.
