

EXTREME SOAP DISPENSER

SPECIFICATIONS

Touch free electronic soap dispenser for deck mounted installations. Activated by infrared sensor. Chrome plated body, other finishes available. Include a 1 liter soap bottle and bottle support. Optional for remote installation: extension cable and longer piping. The following functions can be performed by using Stern remote control: soap quantity selection, refill the soap tank, temporary off, coming back to factory settings.

OPERATION

Touch free electronic soap dispenser .The dispenser is activated automatically when the user brings his hands within the sensor range, and stops when the user removes his hands.

APPLICATION

Closing automatically without dripping, Stern's touch free soap dispenser helps to ensure that the bathroom will stay organized and neat. Combined with Trendy touch free electronic faucet, it creates a germ free and automated environment.
