

ELITE TOUCH FREE ELECTRONIC FAUCET

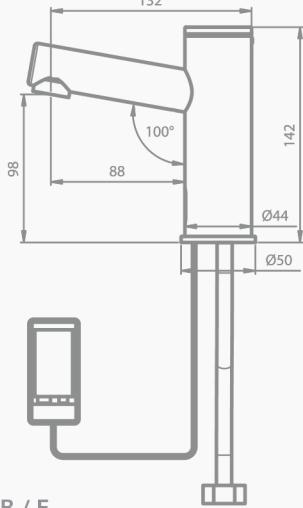

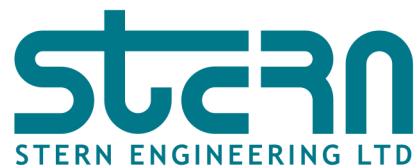

Touch Free Electronic faucet for deck mounted installations. Activated by Infrared Sensor. Chrome plated body, other finishes available. Includes a low battery indicator. The Elite line has an Infrared sensor and a solenoid valve inside the body of the product, which makes it more resistant to vandalism. Installed as a regular faucet, simply connect the transformer or battery to complete the installation.

The following settings can be changed by using the Stern remote control: Sensor Range, Security Time, Delay In, Delay Out and On-Off.

A 24 hours mandatory hygiene flush can be provided upon request.

Compliance certifications:

IAMPO (USA) , WRAS (UK), VA-ETA (Denmark), SINTEF (Norway)
